In 2006 [inserted: October], I retired from my position with the Government of Puerto Rico, after my 30 years of service, because for the retirement system it is 30 years, but I really worked at my job for 33 years. As a secretary, I was an exemplary employee at my work. My task in the Examining Boards was to assist the public, by telephone and personally. I was responsible for 4 Boards, and those were the following: Examining Board for Eye Care Professionals, Examining Board for Doctors of Naturopathic Medicine, Examining Board for Respiratory Care Professionals, and Examining Board for Embalmers. And I assisted all of them with much love and much dedication.
